The AGENCY will have the right to accept or reject the lowest bidder's alternates or additives in any order or combination at the time of contract award, unless otherwise specifically provided in these Specifications.
2. All amounts and totals given in the Bid Schedule will be subject to verification by the Contractor. In case of variation between the unit cost and amount shown by bidder, the unit cost will be considered to be their bid.
3. The bid prices must reflect the conditions required by all sections of the project specifications, must include all State, Federal, and other taxes applicable to the project, and must be a firm offer for a period of 60 days after the date of bid opening.
4. Acknowledge receipt of all Addenda. The cover sheet of each addendum issued is signed by the Contractor and attached herewith.
5. The undersigned, under penalty of perjury, acknowledges that they are authorized by the bidding Contractor to submit a bid for said Contractor.

It is understood that the foregoing quantities are approximate only and are solely for the purpose of facilitating the comparison of bids, and that the Contractor's compensation will be computed upon the basis of the actual quantities in the complete work, whether they be more or less than those shown.

**DECLARATION OF INTENT TO COMPLY
WITH SECTION 3 REQUIREMENTS**
****Return this form with the bid proposal****

As a minimum requirement for consideration of contract award, bidders/proposers shall declare their intent to comply with Section 3 (24 CFR 75) of the Housing and Urban Development Act of 1968, as amended. The bidder/proposer is obliged, to the greatest extent feasible, to give opportunities for training and employment to low-income and very low-income persons residing in the service area or neighborhood in which the covered Section 3 project/service is located, and/or to award subcontracts to other Section 3 business concerns that provide economic opportunities for Section 3 workers and Targeted Section 3 workers.

The undersigned bidder/proposer agrees that, as a condition of responsiveness to the solicitation and prior to recommendation for contract award, they will agree to comply with the Section 3 requirements by including the Section 3 contract language in the contract, by meeting the Section 3 benchmarks to the greatest extent feasible, and by reporting all accomplishments and providing all required documentation on a quarterly basis for the duration of the contract.

The Section 3 benchmarks apply to all Section 3 covered contracts as follows:

- Section 3 workers: 25% or more of the total number of labor hours worked by all workers employed on a Section 3 project; and
- Targeted Section 3 workers: 5% or more of the total number of labor hours worked by all workers employed on a Section 3 project (included as part of the 25% Section 3 worker benchmark above)

Failure to agree to comply with the Section 3 requirements and reporting obligations shall be grounds for determining the bidder/proposer non-responsive, and no further consideration for contract award shall be granted.

I declare under penalty of perjury under the laws of the State of California that we agree to comply with the Section 3 requirements as stated above.
